Important Information

The products shown are not to scale, and logos are for reference only to give an idea of branding options. For exact details, please visit our website or contact us. Colour variations may occur between shipments. If colour is important, please ask for a sample with your order. We strive for accurate colours, but keep in mind that the colours shown may differ from the actual product due to lighting and other factors.

A Note on Substitutions

We've designed every hamper to feel considered and cohesive – but if something becomes unavailable, we'll swap it for a similar item of equal (or greater) value. It'll always suit the overall look, feel, and quality – and we'll match your branding wherever we can.
